Location

WHERE WE ARE

La Terrazza di Otranto is in Bastione dei Pelasgi street in the historical center of Otranto.

Located on the Adriatic coast of the Salento peninsula, it is the easternmost municipality in Italy. We are in the hearth of Historical center and we have the view of both all the city and the sea.

From our terrace in some beautiful weather days it is possible to see albanian mountains, expecially during sunset or sunrise. You can arrive in the structure by train from the station of Lecce to the station of Otranto which is 800 meters on foot; by plane landing in Brindisi airport you can take the bus to Lecce and arrive to Otranto by bus or train.

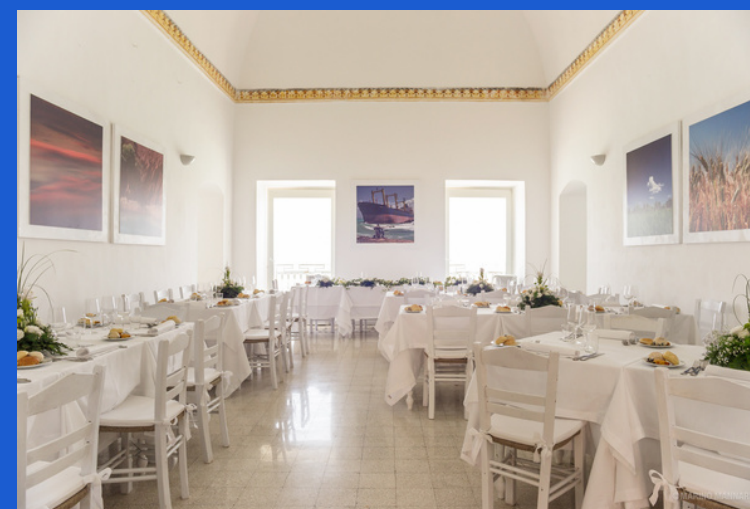

We can help you to be transfered from Brindisi airport to Otranto by car or bus.

YOUR EVENT FACING THE SEA

This special combination of luxury, uniqueness and a view of a ship sailing into the sea, is what makes La Terrazza an incomparable location for your special event.

Details

La Terrazza is a magical location, rich in splendour and chic elegance – the perfect place to celebrate love beneath the infinite sky and timeless blue sea, set against the backdrop of a seemingly endless horizon.

Your special day will be setted in the romantic sunsets and the silver magic of the moon. The exclusive private pathway along the coast with its spectacular terraces overlooking the sea cliffs, as well as the elegant internal rooms with their exquisite design, all become a perfect place in which to organise intimate and cosy occasions where everything can be tailor made to suit your individual tastes and requirements.

You and your guests can enjoy a taste of a privileged lifestyle: superlative food, excellent wines, professional service with absolute exclusivity guaranteed.

La Terrazza offers the internal and external spaces for a total of 2000 square meters exclusively: you will have the opportunity to open the wedding reception with a welcome cocktail on the terrace, and then continue with the wedding banquet in the halls of the location. It is ideal for small and medium sized weddings where you can take advantage of the different floors of the building, thus also organizing a traveling event. La Terrazza is one of the very few locations in Puglia to offer the bride and groom the opportunity to live their wedding almost feeling in the middle of the sea, surrounded by the vivid colors of our wonderful land, which from the blue of the sky and the sea flow into the contrast of red during sunset and blue in the night. The staff will take care of your wedding, suggesting the best solutions according to your needs and advising you, if you need it, some catering companies with which it collaborates and that will make your party perfect and unforgettable. The catering service is at the guests' choice and discretion; the management will also be able to provide you with a wide range of proposals.

An irresistible wedding, made in Italy – epitomising the best of Italian hospitality and culture – your guests will be amazed with what Salento has to offer, from breathtaking scenery, art, history, culture and, above all, exquisite cuisine.
